RE : OPERASI SEMBURAN RACUN SERANGGA
FOGGING EXERCISE

Adalah dimaklumkan bahawa pihak pengurusan University Prime Condo (UPC) akan menjalankan operasi semburan racun serangga bagi tujuan menghapuskan serangga pembawa penyakit (nyamuk aedes) seperti ketetapan di atas.

Sehubungan dengan itu, para penghuni dinasihatkan untuk tidak berada di kawasan awam dan sila pastikan semua tingkap dan pintu rumah ditutup semasa operasi semburan dijalankan.

Segala kerjasama amat dihargai.

Catatan: sekiranya cuaca tidak mengizinkan operasi semburan akan dijalankan pada hari berikutnya pada waktu yang sama.

Harap maklum.

**Pihak Pengurusan
University Prime Condominium**

Please be informed that there will be fogging exercise carried out by University Prime Condo (UPC) management as stated above.

Residents are advised to stay away from the common areas and ensure that unit's windows and doors are closed during the exercise carried out.

Your cooperation is highly appreciated.

Note: Fogging will only be carried out during favourable weather conditions; otherwise the exercise will be postponed to the following day at the same time.

Thank you.

**The Management
University Prime Condominium**
